ANNUAL ONE-DAY MONSTER TREE PLANTING

We are very focused on environment.

Our Club plants 3,500+ trees locally every year.

OUR GOAL IS ERADICATION

Rotary has been working to this end for 34 years, and our goal of ridding the earth of polio is in sight. We started vaccinations in 1979 and today the world is 99.9% clear.

ROTARIANS BBQ THE WORLD'S BEST SAUSAGES!

That is not all we do. Come to a get-together to meet the team. Learn about all the good in the world done by Rotary members.
